We warmly welcome you and your four-legged companions. We offer a selection of pet-friendly rooms to ensure a comfortable stay for both you and your dog.

**To help everyone enjoy their visit, please review the following guidelines:**

- There is no extra charge for your dog to stay with you in the room. However, if the room is damaged or requires excessive cleaning, a fee may apply at checkout.
- All dogs must be kept on a lead or in a secure carrier when in public areas of the hotel.
  - Dogs are not permitted in our restaurants or dining outlets.
  - Owners must always accompany their pets at all times.
- Hotel staff will only enter the room if the owner is present with the dog.
- Please provide pet and emergency contact details to the reception team upon arrival.
